

CHIN-UP.....DATE

Paul, in his letter to the Philippians thanks them for partnering with Him in the gospel. It is in this spirit that we thank you! Your partnering is not only helping churches but people. Because of your partnership with us, we have impacted over 600 people. In November, over 650 pastors and church planters will be trained to reach and disciple thousands of people for Christ. We are thankful for each of you who have given sacrificially, esp. during this difficult

economic time. Churches that could not afford the costs are being helped and encouraged! Please pray for Light of The Nations, a multi-ethnic church plant in Denver as they continue to build their core team. Andy Millar is the leader in the church plant. Also, please pray for Daytona Christian Church in their direction and decisions for transitioning or planning a multi-ethnic church. Jim Ray is their Pastor. I have been working

with the Harambee leadership mentoring and guiding them. Their leadership ranges from as young as 26 years old to the late 40s, with the most leaders under 40 years. All of them have a humble and teachable spirit. The Lord has also blessed us with partners in developing materials to help churches to be more effective and have stronger leaders. Again, thank you for your prayers and support in finances and gifts of time! Through you we see the face of Jesus!
